

BOOST MOTIVATION!

Whether you're working remotely, or you and your team are heading back into the office, boost motivation and improve you and your colleagues' wellbeing with this optimistic color palette. Organic and easy to use neutrals, Fresh Linen and Polished are lifted by a complementary pastel duo of blue-green Dreaming of the Day and clear peachy Pink Satin in this soft yet energizing scheme. To add definition, add a graphic element with dark charcoal Smokescreen in this month's work-friendly palette.

Utilizing the complete palette, this uplifting scheme is perfect for updating shared spaces such as meeting rooms and break-out areas. Enhancing natural light, the easy warmth of [Fresh Linen](#) is an ideal backdrop for large office spaces. Pair with natural wood and add a subtle hint of color with painted panels in the complementary duo, [Dreaming of the Day](#) and [Pink Satin](#). Welcoming furniture and modern lighting in the palette's grey tones, [Polished](#) and [Smokescreen](#) completes this calm and inviting mood.

First impressions are everything! So, treat office waiting and reception areas to a sophisticated and slick interior overhaul. Fresh and cool, a two-tone color scheme in [Dreaming of the Day](#) and [Polished](#) is crisp and clean, especially when accessorized with minimalist furniture and lighting. The palette's darkest shade, [Smokescreen](#) is naturally refined and is enhanced by statement furniture in the palette's pastel pair.

Working from home for the foreseeable future? Take some time to create a designated area for your home office by layering the palette's warmer shades to achieve a simple yet inspirational wall mural. Through painted geometric shapes, soft [Pink Satin](#) and neutral [Fresh Linen](#) and [Polished](#) create a comforting yet optimistic mood, ideal for enhancing engagement and productivity.

Short on time? Quick and simple interior updates could be exactly what's needed to improve your working environment. Here, woodwork is instantly lifted with a lick of paint. Wooden coffee tables feel modern in charcoal black [Smokescreen](#), and small desks stand out in [Dreaming of the Day](#). Paired with plenty of plants, this is a perfect oasis for remote working in small studio apartments.

In our next article we look to the season of spring, with a refreshing and cheerful color palette.
